

NATHAN'S FUNDRAISER!

STANDING WHEELCHAIR

WORBOYS BRANCH | \$5,000 FUNDRAISING GOAL

**Join us as we fundraise for Nathan Hoare to
make his biggest dream a reality!**

Nathan, an Alphington local, was left wheelchair-bound and without speech after falling from a second storey balcony. Nathan is fundraising for a standing wheelchair enabling him to stand up, giving him a greater quality of life. Many of you may know Nathan as he sells succulents from the St Andrew's Markets.

"At home it would make potting my plants a lot easier and at the market I could stand up and talk with people face to face" Nathan says.

All Club Members are encouraged to donate and Anne Greening is kicking off the fundraising with a donation of \$500. Thank you Anne!
